MATCH GAME

Each picture below is printed on two cards. As an adult to help you cut out each card. On a flat surface like a floor or table, turn them all over so that they are face down, and mix them up. Flip two cards over, one at a time. If they make a match, remove those cards. If you don't make a match, turn the cards face down again, and pick two more cards. Continue until all the cards have been matched and removed.
